What happened bro, you were supposed to call me in 15 minutes after speaking to Mr. Gandhi ?

REPEATED ATTEMPTS BY FOSECA+SWBA TO CONNECT

It's been more than an hour 🤔

Vikas Sethi we meet tomorrow (U , Bhasin , Myself & Vishal) in Rohini @ 12:30 PM to understand -

DO THEY INFORM OF ALL OF YOU ABOUT THE NUMEROUS CHATS & CALLS THEY HAVE WITH US?

1- What are the things you guys are pushing through or expecting in promoter scheme ?

WHY IS THE SWRA CORE COMMITTEE'S FOCUS ONLY ON PROMOTERS & THEIR SCHEME?

2-How & What is the route forward (2 Scheme on 20th ?, 1 promoter Scheme on 20th?, Bhallas confirmation & agreement to be on board to provide support in 'right way' and open discussion with Hooda/Gandhi without dislodging current setup of Hooda/Gandhi & Halvasia, Open discussion without much pre-requisite)

LOVE FOR HOODA/GANDHI?

WHY IS THE SWRA CORE COMMITTEE HELL BENT ON PROTECTING PROMOTERS?

DOES THE PL'S REPORT NOT MEAN ANYTHING TO THEM?

3-Meeting does not represent any support or agreement on FOSCEA/ SWBA scheme at all

NO PRE-REQUISITE?

BUT, OUTRIGHT REFUSAL TO EVEN DISCUSS FOSECA+SWBA SCHEME.

4-No propaganda or misrepresentation of meeting esp latter on via Mail/News Letter / Messages by any means

SENDING OUT RUBBISH SMS THEMSELVES BUT..

SCARED OF FOSECA+SWBA'S TRANSPARENCY & EFFORT

5-Possibility of taking back the FOSCEA/SWBA scheme before 20Dec ? What are expectations attached to it & from whom ?

6- Point clearly defined as -  
Must have VS Good to Have

So it can be discussed on priority

Nowhere Meeting suggest any cooperation with FOSCEA or disagreement with Hooda/Gandhi

**FOCUS ON WITHDRAWAL OF FOSECA+SWBA SCHEME**

**WHY IS THE SUCCESS OF FOSECA+SWBA WORRYING SWRA CORE COMMITTEE?**

**WHY DO THEY WANT TO SUBVERT THE COURT?**

**WHAT!!! COME AGAIN!**

**NO CO-OPERATION WITH US ONLY HOODA/GANDHI !!**

But in the interest of time & for many - 1 more try but expecting only & only discussion leads to mutual compromise with Promoters

Once point discussed ; we can try & request Hooda/Gandhi to have a meeting (without assurance, can only request & try)

Requesting you guys to understand the "Time Value of Money" esp for residential project where many don't have "ROOF" & are living in rented property

9:38 PM

Kindly suggest and let's understand if and how we all can fast track the process in the best interest of all buyers

9:40 PM

I disagree to point above(as discussed), till promoters officially invite me as President of FOSECA to discuss the long pending issues which they aren't ready to include in their respective plan, it's in interest of all investors isn't it? LM
