to the aforesaid project and started the advance collection from the public on the pretext of Pre-launch booking of the flats/units in the said project.

5. That the local Indian Promoters – Mr. Surinder Kumar Hooda (Accused no. 5) Mr. Sunil Gandhi (Accused no. 9), acting in collusion with foreign companies /Promoters-SphereInvest Group – Mr. Nicholas Snelling Mr. Michael Brian Collins have fraudulently enticed individual customers into investing their hard-earned money and thereafter illegally and fraudulently siphoning off that money and for their own personal gain and involved in money laundering activities. Copy of the letter dated 08.12.2011 issued by the accused no. 1 in favour of the Complainants showing the booking of the flat is annexed herewith as Annexure-A1. Copy of the Allotment Letter/BBA issued by the Accused Company in favour of the Applicant is annexed herewith as Annexure -A2 (Colly.).

6. That the Accused persons in furtherance of their misrepresentations enticed the Applicant by entering into a Builder Buyer Agreement, however, this was merely done in complete malafides by the Accused persons on the misrepresentation that they had obtained all the necessary approvals, permissions and licenses from the various government authorities and other statutory bodies to proceed with and complete the project within 36 months.

7. That as per the terms and conditions of the Builder Buyer Agreement, the Developers/ Accused have to hand over the possession of the units to the Applicant on or before 36 months from the date of execution of the agreement with a further grace period of six months. However, though, in order to deceitfully lure the Applicants, the work at the project site was shown to have commenced sometime in November- December,2011, however, till date the said project has not even taken off in full swing and work at the project site has remained abandoned.

8. That the accused persons on the basis of the false assurances and promises were successful in deceiving the Applicant and public at large, consequently the Complainant has paid a huge amount in lieu of the sale consideration with the hope to get a house in a world class project. The Accused Persons have also claimed and represented that the said project is having the backing of FDI. The Accused Persons in order to draw the attention of innocent buyers, have propagated, publicized and disseminated that the said project is having Foreign Direct Investment and hence there shall be no financial strain in future, hence the innocent buyers believing upon this have booked units/flats in the said project. The Accused Company no. 1 in its Board of Resolution dated 24.09.2008 have shown that a sum of Rs.4,29,45,790/- have been received by accused company no 4 as FDI. Copy of Resolution dated 24.09.2008 is annexed herewith as Annexure – A3 (Colly).

9. It is also worth mentioning here that the Accused persons have sold out some of the units in the said project before the approval of Building Sanction plan which is not only illegal but also against the mandate of Haryana Urban Development and Regulation Act, 1975 which clearly shows that the District Town Planner is also a party to the malafide and illegal acts of the Accused Persons.

10. That the Applicant have further come to know from other applicants and documents available in public domain that Sh. Sunil Gandhi and Sh. S.K. Hooda are erstwhile Promoter-Directors of the Company and one M/s B.S. Buildwell Pvt. Ltd. and M/s Schleicher Intec Pvt. Ltd. are two companies owned and controlled by Sh. Sunil Gandhi and Sh. S. K. development projects in India and is also the single largest shareholder in A.N. Buildwell Pvt. Ltd. It has also invested in ILD Millennium Pvt. Ltd.

11. That, since the very inception, Sh. Sunil Gandhi and Sh.S.K. Hooda have been indulging in adopting practices such as diversion of assets/ of the Accused No.1, sale of assets below market value, indirect commissions and numerous cost control issue. As per the knowledge and information of the Applicant, there exists a dispute between the shareholders of the Accused No. 1 with respect to oppression and mismanagement of the affairs of the company, breach of fiduciary duty, indulging in unauthorized Related Party Transactions, primarily by way of giving out Land Advances to related parties companies without disclosures as required under law, by Sh. Sunil Gandhi and Sh. S.K. Hooda, inter alia.

12. That, it is submitted that allegations with respect to Related Party Transactions (“RPTs”) assume great importance for the purposes of the investigation in the present complaint. RPTs to the tune of more than Rs.42,05,00,000/- (Rupees Forty-Two Crore Five Lakhs Only) have been entered into by the Board of Directors of the Accused No. 1 wherein the Directors of the Accused No.1, the aforementioned amount has been illegally dissipated from the coffers of the company through various entities.

a. That some of the incidents of fraud and cheating played by the accused persons with the Applicants and other investors are as follows: Concealment of retirement of Mr Sanjiv Chhabra: Director report of FY 2012-13 states that there is no change in directorship of company still name of Mr Sanjiv Chhabra is not mentioned as continued Director – this implies that the management wants to hide the fact that they are slowly getting out of the company without informing about it to its shareholders for details refer Page no 4-5 of file “2013 Balance sheet 31.03.2013”.

b. All Directors abandoned the company: Currently, as per MCA site, none of the Directors are in the management of the company – this means that after committing frauds, all of the directors have abandoned the company to save themselves from the consequences arising later for their wrong acts. Copy of the print out taken from the MCA website is annexed herewith as Annexure A-4.

c. Misuse of Position in company By Mr Sunil Gandhi: The Director “Sunil Gandhi” having DIN 00465967 was director of nearly 40 companies during last 10 years which arises a simple question that how could a person manage 40 Companies. The only logical answer is that Mr Sunil Gandhi misused his position and the funds raised by various companies for personal profits which are prejudicial to the interest of various companies’ stakeholders.

d. Delay in finalisation and adoption of Balance Sheet due to mismanagement: In FY 2011-12 and FY 2012-13 the auditor has drawn attention regarding late finalisation and adoption of financial statements by director. This implies that in these two years the management was involved in mismanagement because of which the auditor asked for addl. Information and this led to late adoption and finalisation of accounts. Since the auditor didn’t provide what type of information was asked by them in their audit report default arises in their part also.

e. Default in payment of financial dues: In FY 2012-13 auditor disclosed that there is default in payment of financial dues for which the bank has charged penal interest for delay in payment of loan Instalments and interest thereon. This implies that even after having funds for the management ignored

प्रथम सूचना रिपोर्ट

(धारा 154 दंड प्रक्रिया संहिता के तहत)

the payments of financial dues due to their bad intention which ultimately led to penal interest which affected the profit of the company.

f. Mis-use of Funds: In FY 2012-13 and FY 2013-14 the auditor has reported that funds raised on short-term basis have been utilized towards funding of losses of Rs. 42.15 and Rs. 42.58 crores respectively which implies that funds have been misused which is prejudicial to the interest of stakeholders.

g. Income Tax disputes with Heavy demands: In FY 2013-14 auditor reports the Income Tax dues which amounts to Rs.20,82,15,311/- which have not been deposited by the Company on account of disputes, as at March 31, 2014. These dues amounts to a heavy amount which implies that the management has not complied with the provisions of Income tax Act, 1961 and no proper provisioning regarding these dues have been made, and resulting in heavy losses which will affect future profitability of the company.

h. Concealment of True position of company from Stakeholders: In FY 2012-13 and FY 2013-14 auditor has pointed out that the net worth of company is fully eroded and current liabilities of company exceeded its total assets by Rs. 41.48 Crs. (in 2012-13) and Rs. 40.91 Crs (in 2013-14) which clearly indicated that the fundamental accounting assumption of going concern is void still the accounts were prepared on going concern basis by management and the same were not qualified by the auditor in his audit report. This implies that both the auditor and the management were involved in concealing the facts and actual position of the company because of their bad intention to commit fraud.

i. Misuse of Funds in name of unclaimed advances: In FY 2013-14 Attention is invited by the auditors, wherein the Company has given advances of Rs. 31 crores to various parties in 2010-11 for purchase of land for the new projects in Gurgaon. The Company has neither received back the advances nor land till the extended due date i.e. March 30, 2014. However, the management expects that either the timelines would be extended or deal would be renegotiated with the parties and accordingly considered the advances as good and recoverable but keeping in view the financial position of company we can assume that the funds were misused with the intention of deliberate fraud.

j. Misuse of Funds in name of advertisement expenses: In FY 2013-14 Attention is invited wherein the Company has incurred advertisement expenses on behalf of other companies amounting to Rs. 6.37 crores which are outstanding since 2010-11. As informed to auditor by the management and based on communication with the parties, the Company would utilize the media space equivalent to Rs. 3 crores up to June 30, 2015 and for the balance amount, the Company is in discussion with the parties, and accordingly, considered the same as good and recoverable. This implies that the management has either misused the funds for personal benefits or diverted money to other companies ultimately committing fraud.

k. Ignorance of Claims made by a party by management and auditor: In FY 2010-11 Claims were made by a party for Rs. 1,708,299 for rent and service charges of property after handing over possession which were pre-existed till FY 2013-14. Company has legal advice that there exist sufficient causes for which the claims are not sustainable but the claims were not resolved in these 4 years and auditor didn't commented regarding this matter in their audit report in any of these 4 years which indicate that the auditor along with the management were acting fraudulently with various other stakeholders.

l. Concealment regarding related party disclosures: In FY 2012-13, the management has concealed information regarding advances to related party and along with this, opening balances (closing balance

on F/Y 2011-12) were also shown 'nil' which in actual were '4 Crs' as per balance sheet of F/Y 2011-12, from this we can conclude that management has concealed such information and since auditor has not commented regarding such non-disclosure, he was also involved in this.

m. Inspire Infraventures Pvt. Ltd.

That on 12.01.2011, an amount to the tune of Rs. 8,40,00,000/- has been siphoned off to Inspire Infraventures Pvt. Ltd. in the garb/form of land advances. Till date neither the land was acquired nor the money was returned to M/s A.N. Buildwell Pvt Ltd.

A bare perusal of the shareholding pattern of Inspire Infraventures Pvt. Ltd. would reflect that Sh. Sandeep Hooda S/o Sh. S.K. Hooda holds 99% equity in the said company, while the remaining shareholding is owned by the known associates and affiliates of Sh.S.K. Hooda. It is worth mention here that Mr. Sandeep Hooda has built one big School under the company Vera Edu Infra Pvt. Ltd. by the name of Vega School at Sector – 48, Sobhna Road, Gurgaon worth Rs.100 Crores. Applicants firmly believe that the siphoned money is used in building the Vega School. Only a detailed Forensic Audit would reveal the same.

Greenedge Infrastructure Pvt. Ltd.

That on 20.01.2011, an amount to the tune of Rs.4,00,00,000/- has been siphoned off to Greenedge Infrastructure Pvt. Ltd. in the garb/form of land advances. Till date neither the land was acquired nor the money was returned to M/s A.N. Buildwell Pvt. Ltd.

A bare perusal of the shareholding pattern of Greenedge Infrastructure Pvt. Ltd. Makes it amply clear that it is an entity which is jointly held by Sh. S. K. Hooda and his wife Smt. Sharda Hooda, each owning 50% equity in the said company.

Copy of the documents reflecting the shareholding pattern of Greenedge Infrastructure Pvt. Ltd. is annexed herewith and marked as Annexure-A5.

Charmwood Realtech Pvt. Ltd

That on 20.12.2011, an amount to the tune of Rs.18,60,00,000/- has been siphoned off to Charmwood Realtech Pvt. Ltd in the garb/form of land advances. Till date neither the land was acquired nor the money was returned to M/s A.N. Buildwell Pvt Ltd.

A bare perusal of the shareholding pattern of Charmwood Realtech Pvt. Ltd. makes it amply clear that it is an entity which is owned entirely by Sh. Sunil Gandhi, one Sh. NareshKumar Bansal who is a known associate of Sh. Sunil Gandhi and other associates and affiliates of Sh. Sunil Gandhi.

That it is worth mention here that Sh. Sunil Gandhi has built one big Hotel under the company Ameya Infrastructure and Hospitality Private Limited, by the name of Ameya at Plot No. 6, FC-33, Jasola, New Delhi. We firmly believe that the siphoned money in the name of land advances is used in building the Hotel –Ameya. Only a detailed Forensic Audit would reveal the same.

Nalanda Realtech Pvt Ltd.

That a Land Advances of Rs. 5.92 Crores was taken out from the funds of the A.N. Buildwell Private Limited and given to M/s Nalanda Realtech Pvt. Ltd. which was owned by Sh. S.K. Hooda. Further, an amount to the tune of Rs.49 Lakhs to DalipBhola, Director and shareholder of the aforementioned Nalanda Realtech Pvt. Ltd. owned by Sh. S.K. Hooda, totaling Rs.6.42 Crores which is shown as outstanding in the accounts of the company and has not been paid back to the Company.

FIRST INFORMATION REPORT (Under Section 154 Cr.P.C.)

प्रथम सूचना रिपोर्ट

13. That besides the above incidences, the modus operandi of the Accused persons was to cheat and dupe the hard-earned money of the public at large as the project were launched on subvention plan with the connivance of DHFL wherein the DHFL has not considered that:

a. The past balance sheets of accused no. 1 at the time of approval of subvention scheme in May, 2012, shows that the accused no.1 was already in huge losses and as such it was unlikely that it would complete the project in question.

Financial Year ending Loss as per Balance Sheet

31-March-2010 26.66 Crore

31-March -2011 42.35 Crore

31-March-2012

35.48 Crore

b. That the accused no. 1 had not executed and delivered a single housing project of similar magnitude earlier.

c. That few other projects started by some of

the accused no. 1 promoters including its foreign promoter under a different company were already either in dispute, delayed and even abandoned. That in one instance, license no. 102/2010 was cancelled for a project called "Spire Central" for defaults and the company was directed to refund buyers money with interest. That in another instance, the foreign promoter had launched another project "Spire South" in Sector 68, Gurgaon in 2008 which was already delayed and is still not been delivered even after 11 years (2017).

d. That in fact the promoters were using shell

companies to invest in accused no. 1. A reading of the financials reports suggests that promoter's investment in accused no. 1 is much beyond their paid up capital.

e. Further, it is never investigated by the IO and other concerned authorities that the foreign promoter was using its wholly owned Indian subsidiary SIV-India for money laundering RBI guidelines/policy prohibits use of funds procured through external commercial borrowing in the field of real estate. SIV-Singapore, the foreign promoter, first created a wholly owned Indian subsidiary SIV-India and thereafter has been issued debentures by the accused no. 1. The annual report of accused no. 1 suggests that it had issued 100,000 Optionally Convertible Debentures (OCD) Series A (OCD A) and 100,000 OCD Series B (OCD B) to th
